

NESTE CONTREX

Lubrication grease for electrical connectors.

DIN 51502 K2K-30
ISO 6743 ISO-L-XCCHA2

Neste Contrex is a lithium thickened grease, which contains antioxidants and corrosion inhibitors.

The product gives good protection against both steel and corrosion as well as copper corrosion.

Neste Contrex is especially developed as a rust inhibitor for electrical connectors.

TYPICAL CHARACTERISTICS

Base oil viscosity/cSt at 40 °C	112
Base oil viscosity/cSt at 100 °C	10
Dropping point/°C	>180
Temperature range/°C	-30 to 110
Thickener	Lithium
SKF Emcor WWO distilled water/ISO 11007mod	0-0
Copper corrosion 24h/100 °C/ASTM D4048	1b
Water resistance/DIN 51807/1	0-90
Oil separation 168h/40 °C/ IP 121	6%
